**ADMINISTRATIVE
GUIDE FOR
REGION AFFAIRS**

JULY 2021 REVISION

ACKNOWLEDGMENT

The concept of a Region Guide was born several years ago out of a need to formally assemble what was then a loose collection of individual activity directives. The present Guide Chapters for Conference and Awards activities can be traced directly to the early days of Region operation.

In 1979, Directors Ernie Waymon and Paul Pittsford pulled together the various singular publications into the first recognizable Region Guide. Although bound in one document, the character of this initial Guide strongly reflected the individual nature of the subject matter.

The late Bob Brosseau and CO-Director Jorgen Graugaard undertook the first revision of the initial work in 1981. Examples of similar efforts from other Regions, used for reference, had a definite influence on this second edition.

Recognizing that the Guide still did not truly reflect the character of our Region, Bob Brosseau immediately set out to issue a third edition the following year. Together with Bob Molseed of the D. C. Metro Chapter, they produced in 1982 what is perhaps the first truly “Middle Atlantic Region” Guide.

In 1984, the Director’s Advisory Committee was established. Their primary charge was to review and expand the Guide, observing the growth and refinement typical of recent years.

Throughout 1985, DAC worked to produce the “1986 Edition” of the Region Guide. It was apparent in the early stages of development, that for the Guide to avoid rapid obsolescence, it must remain fluid. This suggested the loose-leaf format. Byron Dickson was the principal author, editor. The 1987 Director’s Advisory Committee proceeded to complete the revision process started two years earlier. While the “1986 Edition” was a major revision, the “1987 revision” undertook those minor corrections which are a concluding and essential part of a major undertaking of this type.

During the fall and winter of 1988 a Guide Committee chaired by Dell Ewing with Ken Nagie and Andy Giesecking revised the Guide for approval of the new Region Board at its 1989 Spring Meeting to bring the Guide to conformance with the Regions Incorporation and Bylaws requirements.

During the period of fall 1990 - spring 1991 an Ad Hoc Committee of Margaret Chewing and David Stutzman and chaired by Jim McCall, was charged with reviewing and recommending changes to be suggested to the Region Board at the 1991 Spring meeting. This 1991 edition of the Region Guide includes those changes authorized at the 1991 Spring Region Board Meeting.

During LOS in April 1999, name was changed to Leadership Education and Development (LEAD) in 2018, Mike Glass introduced a revised chapter, “Academic Programs Committee”, replacing the Student Affairs Chapter. There were implications in doing so. The Student Affairs Committee had been a sub-committee under the direction of the Education Committee. Revising the Student Affairs Committee to Academic Programs Committee resulted in revisions to the Education Committee Chapter.

In October 1999, at the Richmond Region Conference, the Planning Committee was given the assignment to revise the entire Region Guide. Mike Glass provided the direction to Frank Lennox, Region Planning Committee Chair. The Committee first met during the Friday afternoon committee sessions to divide the sections for review among the members of the committee.

ACKNOWLEDGMENT

In April 2000, at LEAD, a preliminary version of the revised Region Guide was distributed and discussed. By July 2000, further revisions and corrections had been submitted by various Committee Chairs. At the Valley Forge Region Conference in October 2000, the Planning Committee presented a pre-final version of the Guide for review. Charlie Stover, MAR President, instructed the Planning Committee to finalize the Guide and present the completed version to the Operations for publication and distribution.

The amendment process established in the Bylaws and Guide provide the opportunity for needed revisions when they occur.

INTRODUCTION

The Administrative Guide was revised in the Spring of 1988.

During the Region Caucus at the Institute Convention in June, 1988, a special Presidents' Meeting was held. The Chapters of the Region voted to Incorporate the Region. The Region was formally incorporated as a not for profit business on June 30, 1988 in the State of Maryland. Its formal business name in the incorporation documents is CSI Middle Atlantic Region Incorporated of The Construction Specifications Institute, Incorporated. Subsequently, at the Region Conference held in Erie, Pennsylvania in September, 1988, the Chapters of the Region adopted a set of Bylaws for the newly incorporated Region to establish the basic business operating rules to meet the requirements of the Internal Revenue Service for operating a not for profit professional business association.

The evolution of the operating structure urged by the Chapters' Region representatives, the new incorporation and its business bylaws required a major updating of this Guide be undertaken. In the fall and winter of 1988, the rewrite updating of the Guide for presentation to the Region Board at the 1989 LEAD was accomplished. The Guide was adopted by the Region Board at this event with revisions, and was subsequently revised in the spring 1991 Region Board Meeting.

- c. Expenses incurred with respect to any claim, action, suit, or proceeding may be advanced by the Region to the Director, Trustee, Officer, employee or their legal counsel prior to the final disposition thereof upon receipt of an undertaking by the Director, Trustee, Officer, or employee to repay such amount as shall not ultimately be determined to be payable to him hereunder.
